

## **Report on Program Career Options & Opportunities for Electronics Graduates**

**Date** : 19 Apr 2021

**Time** : 1100 am

**Venue** : Online

**Name of Speaker** : Renjith CV, Product Designer, Philips India Ltd

### **Introduction of Program**

There are core Jobs for ECE Students. For an ECE engineer it is great for working for a company that directly works in the core electronics field or assists other companies in achieving these core functions. Also there are non-core Jobs for ECE Students like govt. Jobs, Also he or she can open startup and also go for higher education.

The opportunities are vast for electronics and communication engineers as they can be employed in variety of sectors such as Indian Telephone Industries, Civil Aviation, Development Centers in various States, Defense, NPL, A.I.R, Posts and Telegraph Department, Railways, Bharat Electronics Limited, D.R.D.O,etc.. Placement wise, ECE branch is a little better than CSE because it has more offers in the public sector or govt jobs. Also ECE is considered to be all time favorite branch.

More than 317 Students participated from Computer, Electrical and Electronics & Telecommunication Branch.

### **Outcome**

- 1. It helps to reconcile student's career goal**
- 2. Students are able to identify industries**
- 3. Student could relate academics with present career trends in electronics field.**

**Name of Program Coordinator Prof VD Choudhary E&TC Department**

## Participants List

Full Name of the Participant (Surname first)	WhatsApp Mobile Number
Suryawanshi krushna Subhash	07972025345
Waghulde chaitali Vijay	9028391248
Meenakshi Amit Chaudhari	9689233226
Patil Vipul Mohan	7058304193
Patil Dipendra Sukdeo	7020504524
Kharnare Shraddha Narendra	9819358629
Bhoir Pankaj Padman	9209779414
