

Green Practices

Bicycles: In our college some students use bicycle for reaching the college, we are suggest the student to use bicycle due to that pollution should be avoided & traffic should be minimize. And for that our college provided the separate bicycle stand for keeping the bicycle in parking.

Public transport: College has own 4 buses for transport the students and staffs. Most of students and staff use college buses.

Pedestrian's friendly roads: In our college we provide the pedestrian rights-of-way for walking purpose. In college campus there is cement-concrete road are available & which are neat & clean.

Plastic free campus: Our college campus is free from plastic ,we provide the dustbin at every place & due to the use of dustbin there is no any type of waste plastic in campus & we suggest & aware the staff as well as students to avoid most of use of plastic.

Green landscaping with trees and plants: Our college campus is cover with green plants & trees in that various types of tress are planted. In front of college there is the garden is available, due to the greenery there is fresh air & good environment created.
