A Tradition of Excellence..... Since 1999

About GP's GCOE

Godavari College of Engineering (GCOE) was started by Godavari Foundation in 1999 to impart quality education in the field of Engineering & Technology. It is just one of the ventures of Godavari Foundation set up by person with high academic record at behest of very young altruist Dr. Ullas Patil in 1999 at Jalgaon. College is approved by AICTE, New Delhi, recognized by Directorate of Technical Education (DTE), Govt. of Maharashtra and affiliated to Dr. Babasaheb Ambedkar Technological University (Dr. BATU), Lonere - Raigad (Maharashtra) and AICTE (accredited). The courses are conducted in the premises having well infrastructure, Computer Labs, Conference halls, Library and other amenities. A team of experienced and qualified faculty bears the responsibility to impart knowledge to aspiring students in GCOE. Right blends of Industrialists and Academia from various other colleges come to professionally train our students. Interaction with eminent personalities in their respective field is a continuous activity at the GCOE. In addition to giving them value-added skills, college provides the students with a solid foundation base to strengthen their engineering practical knowledge. The college is running four engineering under-graduate programs (B.Tech) & three engineering PG programs (M.Tech) along with three courses in Polytechnic (Diploma) also a Ph.D. research center in Mechanical Engg. Each course is designed to cater to the requirements of the Industries. The above courses prepare the students for the plethora of experiences that they would face in real life situations in the Technical Industry and Entrepreneurial world.

A Tradition of Excellence!

ABOUT GF'S GCOE
Godavari College of Engineering (GCOE) was started by Godavari Foundation in 1999 to impart quality education in the field of Engineering & Technology. Godavari College of Engineering is just one of the ventures of Godavari Foundation set up by person with high academic record at best of very young age. Dr. Ulhas Patil in 1999 at Jalgaon. College is approved by AICTE, New Delhi; recognized by Govt. of Maharashtra and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere-Raigad (Maharashtra). The courses are conducted in the premises having well infrastructure, Computer Labs, Conference halls, Library and other amenities. A core team of experienced and qualified faculty bears the responsibility to impart knowledge to aspiring students in GCOE. Right blends of Industrialists and Academia from various other colleges come to professionally train our students. Interaction with eminent personalities in their respective field is a continuous activity at the GCOE. In addition to giving them value-added skills, college provides the students with a solid foundation base to strengthen their engineering practical knowledge. The college is running four engineering under-graduate programs (B. Tech) & three engineering post-graduate programs (M. Tech) along with two courses in second shift polytechnic (Diploma). Each course is designed to cater to the requirements of the Industries. The above courses prepare the students for the plethora of experiences that they would face in real life situations in the Technical Industry and Entrepreneurial world.
