Hello:

We are currently reviewing the Online Campus Essentials program and as of yet, do not have a decision from our partner universities to continue the offering. We are working diligently to confirm this information for you. We will advise as soon as we have a final response.

Thank you for your patience.

Kind regards,

students are hereby informed that, an integrated platform is initiated by NPTEL for GATE
paration. The NPTEL platform hosts video lectures covering a wide range of subjects covering
entire GATE syllabus across Engineering and Science disciplines. To enable easy access, all the
ics of GATE syllabus are mapped and linked to the most relevant NPTEL video lecture(s). These
TEL lectures are mapped to various topics of the GATE Syllabus.

Video solutions are provided for the previous year GATE question papers. The video
utions are designed to be self-contained - starting from a quick recap of the basic concepts
ded in solving the problem. followed by a detailed solution using fundamental concepts and
ling by providing tricks. if any, to solve the problems.

ATE is not only a qualifying exam for post graduate studies but also provides
opportunity for PSU jobs.

dents should visit the online platform to take advantage of it. The link of online platform is
