Dr. Daniel C received his B. Tech, M. Tech, Ph. D program from Karunya Institute of Technology and Sciences, Coimbatore, India. He served at Karunya Institute of Technology as Junior and Senior research fellow for a DST project outlay of 2.57 Crores from 2016- 2019. He worked as a Senior Project Scientist in Meta Lab as a post doctoral researcher in IIT Delhi. Currently, he is working as an Assistant Professor, Department of Civil Engineering, Hindustan Institute of Technology and Science, Chennai. His teaching and research interests include on Smart Materials, Supplemental Damping Device, Energy Harvesting Device, Vibration Control Techniques and Hybrid Simulations. Dr. Daniel C has published more than 27 indexed research publications in reputed International Journals and Conferences. He is the Research trainer and Ex Founder for Manuscriptpedia, Kanyakumari and MSME Research training programs. He is a member of American Society of Civil Engineers, the American Society for Testing and Materials, the Institution of Structural Engineers, and the International Associations of Engineers. He is the reviewer of 8+ SCI-indexed journals.

Key Learning and Take-Aways:

Dr. Daniel C addressed both innovation & entrepreneurship simultaneously. According to him, both are very closely related phenomena. Innovation requires entrepreneurial behavior. In this session, Dr. Daniel C emphasized some key areas that must be kept in mind when we are progressing in innovation & entrepreneurship that are –

- Focus on being a entrepreneur
- Innovation should address all the people in the society
- Economic growth of the society as well as the country mostly depends on entrepreneurs.

According to him, innovation whatever it is small or large; it must be unique in nature. From this session we all learned to identify & address the problem in the existing society, find out its solution in an innovative way that opens the door of entrepreneurship.

• Institution innovation council (IIC) of Godavari foundations Godavari College of Engineering, Jalgaon Maharashtra organized one day sensitization program on Entrepreneurship & Innovation as Career in online mode (Google meet platform). It was well-received by more than 40 participants from students & faculties of Institute. The event was started at 10.30 am. Prof. Atul Barhate Head Electrical Engineering, Convener & Innovation, IIC started the session with a warm welcome to all the attendees. Then the president of IIC Dr. Vijaykumar, Principal of this college delivered his small inaugural speech, next to him Prof Hemant Ingle Head E&TC Department and Vice-President IIC. After the end of the introduction session, it was taken over by the eminent speaker Dr. Daniel C who is currently the Assistant Professor of Department of Civil Engineering, Hindustan Institute of Technology and Science, Chennai. The Program is Coordinated By prof. Mahesh H Patil, Anchoring is done by Prof Lalita Patil and Online activities are managed by Prof Prashant Shimpi.

- Key areas of his discussion are –
- Innovation must be sustainable
- It should address all the people in the society
- Economic growth of the society as well as the country
- Cost effectiveness of the new product or service

He boosted the confidence of all the attendees with his interactive presentation and encouraged them all to believe in themselves. He ended his lecture with a small questions and answers session with the attendees. The vote of thanks was delivered by Professor Lalita Patil
