Objectives	 To illuminate the concept of innovation. To inspire the students for innovation and start-up Diverting mindset from job seeking to job creations
Benefits in terms of learning / skill / knowledge development	This program helps in inspiring the students to know about Research & Innovation culture. The viewpoint of looking at things changes from the research point of view. How innovations takes place can be understood with such programs. Ultimately an innovation may lead to an enterprise.
Program Coordinator :-	Mr. Kishor M. Mahajan Associate professor Mechanical Engineering Department

Overall Report of the Activity						
Date: 19/01/2023	Time: 11.00 AM TO 12.00 AM					
Speaker: Mr. Imran Sattar Pinjara Founder & CEO LET'S FAB Educational Services Pune	Topic: My Story of Being Successful Innovator					

Speaker Profile:

Mr. Imran Sattar Pinjara, has completed his graduation in Mechanical Engineering from Godavari College of Engineering Jalgaon in 2012. Afterward he completed his PGDM in "Process Piping Design And Engineering" as per ASME 31.3, from IPEBS Hyderabad. He has 7+ years of professional experience, in fabrication of all types of Process Equipment, Conveying Equipment, Piping and other Heavy Fabrication work. He had worked in several fabrication industries ranging from small scale to MNC level companies. At present he is Entrepreneur, Investor and Innovator. Presently he founded his own company Let's Fab Educational Services in Pune and working as a founder CEO. He started his innovation work, while finding solution to the practical difficulties raised, while working in the field of fabrication. He had converted fabrication techniques as digital products. He had develop many fabrication tools, for increasing the efficiency accuracy and their by saving the fabrication time. Also he had developed E-Books, Mobile Applications, Excel Utilities, E-Learnings, Video Courses and Software etc. His aim is to convert all possible fabrication techniques into digital products.

Key Learning and Take-Aways:

Mr. Imran Sattar Pinjara shared his views, on both innovation & entrepreneurship simultaneously. According to him, a need gives birth to an innovation. For being an innovator you must have keen and through knowledge of your field, one must have all the basic of his domain very clear in his mind. In this session, Mr. Imran Pinjara, emphasized some key areas that must be kept in mind when we are progressing in innovation and that are -

- Focus on the problems in the day to day life.
- Innovation should be intended to serve the society
- Economic growth of the society as well as the country mostly depends on innovations.

According to him, innovation whatever it is small or large; it must be unique in nature. From this session we all learned to identify & address the problem in the existing society, find out its solution in an innovative way that opens the door of entrepreneurship.

Institution innovation council (IIC) of Godavari foundations Godavari College of Engineering, Jalgaon Maharashtra organized an online motivational session, on topic "My Story of Being Successful Innovator" on Google meet platform. It was well-received by more than 50 participants from students & faculties of Institute. The event was started at 11.00 am. Prof. Atul Barhate (Head Electrical Engineering. Convener & Innovation, IIC), started the session with a warm welcome to all the attendees. Then the vice president of IIC Prof Hemant Ingle (Head E&TC Department) shared his views for the session. After the end of the introduction session, it was taken over by the eminent speaker Mr. Imran Sattar Pinjara who is the Founder & CEO of LET'S FAB Educational Services at Pune. The Program is Coordinated and hosted by Prof. Kishor M. Mahajan.

- Key areas of his discussion are -
- Innovation must be workable P
- It should serve the people in the society
- It should have potential for the economic development of the society as well as the country.

He heightened the confidence of all the participants with his interactive and effective presentation and inspired all to believe in themselves and their capabilities. At the end of session he answered the questions from audience. The vote of thanks was delivered by Prof. Kishor M. Mahajan.
