Academic Audit Summary Sheet: Undergraduate Programs

Institution:- Godavari Foundation Godavari College of Engineering, Jalgaon

Program Title(s): Computer Engineering

Academic Audit Status:- Third Academic Audit

Each undergraduate program undergoes either an academic audit or external peer review.

The criteria used to evaluate a program appear in the following "Academic Audit Summary Sheet" have been selected based on the Academic Audit Focal Areas to be consistent with the spirit and process of the Academic Audit.

A check-mark should be placed in the appropriate box to indicate whether a program has "met" or "not met" each criterion in the table. If the % is less than 50% of the target value then the program has not met the objective of the Program.

If a particular criterion is inappropriate or not applicable to the program, the criterion should be marked "NA".

When combined with the self-study and the written report prepared by the visiting team, the Summary Sheet will facilitate institutional development of a program action plan to ensure continuous quality improvement.

Academic Audit Summary Sheet: Undergraduate Programs

Institution:- Godavari Foundation Godavari College of Engineering, Jalgaon

Program Title(s): Electrical Engineering

Academic Audit Status:- Third Academic Audit

Each undergraduate program undergoes either an academic audit or external peer review.

The criteria used to evaluate a program appear in the following "Academic Audit Summary Sheet" have been selected based on the Academic Audit Final Act as to be consistent with the spirit and process of the Academic Audit.

A check-mark should be placed in the appropriate box to indicate whether a program has "met" or "not met" each criterion in the table. If the % is less than 10% of the target value then the program has not met the objective of the Program.

If a particular criterion is inappropriate or not applicable to the program, the criterion should be marked "NA".

When combined with the self-study and the written report prepared by the visiting team, the Summary Sheet will facilitate institutional development of a program action plan to ensure continuous quality improvement.

Academic Audit Summary Sheet: Undergraduate Programs

Institution:- Godavari Foundation Godavari College of Engineering, Jalgaon

Program Title(s): Computer Engineering

Academic Audit Status:- Third Academic Audit

Each undergraduate program undergoes either an academic audit or external peer review.

The criteria used to evaluate a program appear in the following "Academic Audit Summary Sheet" have been selected based on the Academic Audit Focal Areas to be consistent with the spirit and process of the Academic Audit.

A check-mark should be placed in the appropriate box to indicate whether a program has "met" or "not met" each criterion in the table. If the % is less than 50% of the target value then the program has not met the objective of the Program.

If a particular criterion is inappropriate or not applicable to the program, the criterion should be marked "NA".

When combined with the self-study and the written report prepared by the visiting team, the Summary Sheet will facilitate institutional development of a program action plan to ensure continuous quality improvement.

Rajesh Electro Fabricator and Suppliers

Incepted in the year 1994, Rajesh Electro Fabricators is one of the leading manufacturers and suppliers of wide variety of oil cooled transformer, distribution transformer and power transformer, high-tension and low-tension erections and line material fabrication in India. We manufacture high performance **power transformers, welding transformers, control transformers, auxiliary transformers, special purpose transformers and many others that are widely appreciated for their reliability and efficient functionality for a longer life with minimum maintenance.**

The organization was established under the able guidance of **Mr. Nitin Ingle**. He is acting as the present CEO with an immense expertise in the relevant area. His skill and ability in this prospect has led the organization march towards a new horizon in this domain. We assure our clients with the best assortment in the leading industrial price that makes us feel great among our huge clientele such as **PWD, BSNL, M.S.E.D.C.L, Kalpa - Taru Power Transmission** any others.

We own the latest technological methods and manufacturing facility that assists in delivering the best products with minimum cost effectiveness. This also enable us in offering a wide assortment of **H. T. and L. T. stay sets, distribution boxes and line material fabrication to serve all pipe industry, spinning mills, sugar mills, automobile industry and many others.** Our vast industrial experience in the field of distribution and power transformers, H. T. and L. T. erections, and line material fabrication in India and abroad helps us in availing best of product and after-sales service.

We also engage in offering wide assortment of transformer solutions to various electrical, mechanical and chemical energy industries and allied industries.
